IN THE CLAIMS:

Please ~~cancel~~ without prejudice claim 80 and add the following claims:

Claim 81. An apparatus for demarcating an area which comprises a demarcation element  
that includes a plurality of flexible sections, a plurality of vehicles, each of said vehicles being  
connected to at least one end of at least one of said sections, at least one of said vehicles  
including a geodetic positioning system for selectively positioning said vehicles, and all of said  
vehicles including tightening means adjustably positioning at least one end of one of said  
sections and tightening a said section which extends between said vehicles, said vehicles each  
being supported by two wheels which are independently controllable by motors carried on said
